

# THEY'RE BACK FOR ANOTHER YEAR! U3A MELBOURNE CITY'S THURSDAY FORUMS

**16 FEBRUARY, 2012,**  
1-2pm

# Karen Curnow

# ADVERSITY: THE FLIPSIDE

Karen, a workplace change management consultant in the City, settled in the St Andrews region near Kinglake eight years before the 2009 bushfires destroyed most of what she had. She chose to move on rather than out; to be a survivor rather than a victim. As a result, she wrote a book about finding positives in loss and grief. What has been described as Karen's "raw honesty" is absolutely inspirational in this not-to-be-missed presentation.
